Dear Local Business Supporter,

Thank you for your consideration to support The **Marblehead Boosters Field Banner program**. We are excited to offer Sponsor Acknowledgement banners at the Marblehead High School in an effort to help the Boosters program thrive. With thousands of spectators coming from all over to view our teams, your support is not only appreciated by Boosters but your organization's banner will receive fantastic exposure as well. Space is limited so please be in touch soon if you are considering a sponsorship banner to be displayed on the fence at the Marblehead High School turf Field.

Marblehead High School Boosters Club is a volunteer run 501(c)3 organization focused on supporting the needs of MHS sports teams, enhancing and promoting athletic achievement and school spirit, providing scholarships for deserving student-athletes and contributing to new ideas for athletic success. The Boosters Club also organizes and promotes community service opportunities for our students through involvement in organizations such as Special Olympics. We proudly served at the 2019 Special Olympics at Harvard Stadium this past June with over 100 high school and Boosters volunteers.

In addition to the \$28,000 student scholarships awarded this past year, Boosters bridged the gap between the athletic department and funded many requests from MHS sports teams and athletic organizations at the school. Below is a short list of just a few of the items the Boosters have funded over the past few years:

- Brand new "Fitness for All" facility with state of the art equipment
- Newly constructed free standing snack shed at Piper Field
- Team uniforms
- Track tent
- Volleyball blocking stations
- Ski race timers and gates
- Wrestling mats
- Football helmets
- Tennis nets
- Hockey bags
- Field hockey goals and goalie equipment
- Lacrosse bags
- Swim caps

With the gracious donation of \$50,000 from (FMPS) Friends of the Marblehead Public Schools as well as private and corporate sponsors, we successfully raised \$150,000 last year for the renovation and expansion of the fitness room at Marblehead High School. The goal of the reconstruction was to provide a state of the art facility for **ALL** of our students, both athletes and non-athletes to utilize and enjoy, promoting Wellness and **Fitness of All**. While the major construction project was completed this past Spring, there are many funding needs and ongoing requests from the high school sport's teams..

Please consider making a donation for a corporate **Sponsor Acknowledgement Banner** to be displayed at Piper Field. Banners will be printed in color and display your company logo.
